## Work Group Information

Since its start in 2010, Galveston Urban Ministries (GUM) has been building relationships and learning about the community in which it serves. GUM has moved into the neighborhood and is creating programs based on the assessments and the needs voiced by the community. Since GUM is a relationship-based ministry, your time with us will be focused on building and growing relationships, while we serve the neighborhood through work projects and street camps.

As we invite groups to join with us in partnerships, we ask that you take this opportunity to really challenge yourself, the group, and even the church that you are involved in, as we learn together what it means to truly love and serve others from all walks of life. You are taking part in the larger picture of what we do, and because your group and others will join us, we ask that your journey begin before you get here and long after you leave. We look forward to the relationships ahead!

Our goal is for students to gain exposure and experience with urban missions so that they might be challenged and mobilized for a life of ministry within and for the Kingdom of God.

### What you can expect

#### **Devotions:**

Each morning a GUM staff member will present a devotional that is based on biblical principles, stories, and life experiences. Devotional time will be consistent with GUM's philosophy of ministry, and the GUM "E's" (Engaging, Equipping, Empowering) and be relevant to the work that the group is doing.

#### **Work Projects:**

Galveston Urban Ministries is constantly working on ways to improve and develop the neighborhood. There are a range of projects that need to be completed such as painting, roof work, remodeling homes, cleaning, mowing, gardening, building fences, and more. Work projects are subject to organizational and community needs and sometimes cannot be determined until the start of our trip.

#### **Street Camps:**

Each day (3 days total) GUM hosts Street Camp at a local park as an outreach to children and young teens in the neighborhood. They play sports/games, do arts and crafts, sing songs, teach stories from the Bible, and have a snack. Prior to Street Camp, GUM will assign the group with a topic for the week that is aligned with the summer's theme. We encourage students to lead the activities so that they are learning to share their faith in creative ways.

## **Street Camp**

### **Recreational Games**

You can play kickball, soccer, touch football, basketball, hide and seek, etc. You may want to bring jump ropes and chalk for the younger ones. The park has playground equipment available. Just have fun!

### **Songs and Bible Story**

Choose 2 songs to sing with the children. The best songs are ones that are high energy and have hand motions. Keep it simple; the kids will lose interest if they cannot keep up. Your group will also need to prepare a short 3-5 minute skit on any Bible story. Please make sure your skit is interactive and child friendly. The children will be more involved in the lesson if the presentation is suited for them. Use visual aids and interact with the children to create participation. Prepare a couple of conversational questions based on the theme. Form small groups for a brief discussion with the kids. Make sure you are prepared to teach and that your materials are ready.

### **Arts and Crafts**

The arts and crafts will follow the Bible lesson to reinforce the theme. Have the materials ready to go when the Bible lesson is over. While the arts and crafts are being led, have a team prepare the snack. Once the craft is over, someone can pray over the children, bless the snack, and start to organize the children for snack time.

### **Snack and Free Play**

Try to get the children organized and settled before you begin with snacks. Tell the children in advance that trash belongs in the trash cans. Make sure they say please and thank you. If you have extra time, continue to play with the children after snack time and have a group tidy up the park. Then walk the children back home if you brought them over.

## **Street Camp Rules**

- Street Camp is only for ages 5-12.
- Dress appropriately for the weather and the occasion, but please make sure that stomachs and legs are covered appropriately. Set a good example for the children.
- Leave all valuables at home.
- Do not let the children hang on your back or shoulders.

- Do not go anywhere alone with the children especially inside bathrooms or behind any other closed doors.
